The Theatrical Costumier of Wolverhampton

Dear Wardrobe Mistress / Master

We pride ourselves on providing you with costumes of a high standard to enhance your production. In order to maintain this, we ask that you could please take note of the following points:

Safety Pins	Sticky Tape
Stick-on Velcro	Paper Clips
Sticky Plaster	Wonder Web
Staples	Sticky Labels
Blue Tac	

ALL DAMAGE COSTUMES!

Please **do not**, under any circumstances cut a costume. If they need alteration, please ask.

We can cope with the normal removal of make-up, but we do have problems with Red Wine, Ketchup, Curry etc. Please ask the cast to bear this in mind.

When packing your costumes for returning, before rushing to the bar to celebrate the success of your show, please ensure that they are packed considerately:

- Remove all personal items from pockets.
- Don't leave rubbish in packing boxes.
- Re-pack with plastic costume covers
- Don't put anything on top of hats

We hope you enjoy wearing our costumes as much as we do producing them and look forward to dressing your next show.

Many thanks
